Greetings: To Our Dahlia Friends and Customers.

We take great pleasure in handing you our 1952 catalog. The varieties listed have proven their ability to grow for us, by producing strong growth and plenty of bloom. Since 1920 we have served the dahlia loving public. Out motto: **"Your Success Means Our Future."** We don't try to see how many varieties we can grow, but try to grow the best.

GUARANTEE: While we exercise every care in filling of orders for roots and send out what we honestly think will grow, we do not guarantee any root that is shipped before March 15th. After that date all roots are guaranteed and will be replaced free of charge if they prove blind. Many of the failure with plants and roots are due to causes entirely beyond our control, such as weather and soil conditions, bad planting, etc, and while we take the greatest care to send out only stock which will produce satisfactory results, we cannot be held responsible for failure. A deposit required on all orders before shipping.

REFERENCES: We refer you to the Peoples Savings Bank or any merchant in our city, in regards to our honesty and integrity.

ROOTS: The size of the roots varies according to the variety. A large root does not always result in a large plant or flower. The main thing is a strong, healthy root, showing a growing eye or sprout. Shipped prepaid when order amounts to **\$5.00 or over**. This applies to **retail** orders only. Roots shipping season closes May 20th. We start shipping about April 10th and all roots will be shipped at that time unless instructed to ship sooner.

COMMERCIAL GROWERS: We cater to a high class retail trade, but we will allow the usual discount to the trade on our own introductions and other varieties where our stock will permit, **except where prices are marked NET**. Shipping charges to be paid by the purchaser on all wholesale orders.

NOTICE: Ohio customers only—for every dollar (\$1.00) of your purchase please add three (3) cents **Sales Tax**. This is a consumer's tax and must be paid by the consumer.

STELLAETTE: F. D. to Inf. Our 1945 Introduction. This velvety deep red is what some dahlia critics call a red CALIF. IDOL. Cane like stems which can carry the largest blooms erect. Foliage insect proof, like the old Jersey's Beacon. Grows about 5½ ft. in height. Blooms average 11 inches by 8 inches. An excellent keeper when cut. Won when shown in its 1st and 2nd year as a seedling. Listed on the Mid-West and Pacific Coast Honor Roll. **Roots \$1.50**

"THE TIMES-LEADER"

"REAL DAWN"

***BROEDER JUSTINUS**—(S.C.) This dahlia was awarded the Silver Challenge Cup in Holland for the best foreign introduction. This dahlia drew the attention of all with its orange colored bloom changing to light yellow in the center. Proved this season to stand the hottest sunshine. A strong grower. Stems hold the bloom as near perfect as any dahlia. **Roots \$1.00.**

LAKESIDE BEAUTY—Formal Dec. (1946). A real dahlia for cut flower trade with a color of rose pink blending to cream center. Strong grower, best of stems and foliage extra good. Won the Flower Grower Award and Mid-West trophy in the past year. **Roots \$1.00.**

MICHIGAN ORCHID—Formal Dec. (1947). This dahlia is a very strong grower, with its pure mauve or mallow rose bloom, holding full centers on perfect stems. Foliage is dark green and insect resisting. Medium to early bloomer. Grows about 5 ft. in height for us. **Roots \$1.00.**

SKYROCKET—Cactus A clear vermilion straight cactus. Diameter 10 to 12 inches; depth 5 to 6 inches. A striking scarlet bloom with a gold sheen; of remarkable substance; holds its colors in the sun. The stems are 12 to 16 inches straight, slender and strong. The bush is 5 to 6 ft. in height, a rugged grower, a good root maker and an early and continuous bloomer. The foliage is dark, tough and insect resistant. **Roots \$1.00.**

MRS. E. J. CACTUS (Rocky River) The first year record of this bright pink cactus has justified the pride. It is a strong grower, producing an abundance of flowers on rigid stems. Petals have exceptionally good substance giving the flower unusual keeping qualities, a characteristic that has endeared it to florists. Perfection of form has made it a fine exhibition variety, having won "best in show" at several shows. **Roots 75c.**

JANE LAUSCHE S. C. (Rocky River) A new color combination in a dahlia. Rosy mauve with about one-third of each petal tipped white. Just about all the superlatives in the dictionary have been used to describe it. Winner of several "largest bloom" and most perfect bloom awards in its first season. The plants are open, fast growers and produce blooms early, and in profusion until frost. A standout in the semi-cactus bi-color class. Size 10 x 6. **Roots \$1.00**
